The darkness online

- 7 **Cryptopolitik and the Darknet** *Daniel Moore and Thomas Rid*
Encryption policy is becoming a crucial test of the values of liberal democracy in the twenty-first century.
- 39 **The Life Cycles of Cyber Threats** *Ben Buchanan*
Cyber vulnerabilities, and their exploits, pass through identifiable stages of life.

Commentary

- 59 **Confronting Europe's Single Market** *Erik Jones*
The European Union's problems do not originate in money or migrants; they stem, ultimately, from the single market itself.

Russian worldviews

- 71 **World Order after Ukraine** *Nadezhda K. Arbatova and Alexander A. Dynkin*
The crisis in Ukraine has strained Russia's relations with the West to breaking point. An objective understanding of the roots of the conflict is essential if a new order is to be established.
- 91 **Russia in a Post-Bipolar World** *Alexander Lukin*
Since the end of the Cold War, the West has attempted to impose on the world its own political model as a universal solution.
-

- 113 **The Cult of ISIS** *Florence Gaub*
The Islamic State is a cult; it cannot be fought as a mere terrorist organisation or a proto-state with territorial ambitions.

131 **The Measure of Britain's New Maritime Ambition** *Nick Childs*

The United Kingdom is shifting back to a defence strategy with maritime capabilities at its heart. But further investment will be required to fulfil, and sustain, this new ambition.

151 **The Unfulfilled Promise of the 2015 NPT Review Conference** *William C. Potter*

The view that the 2015 NPT Review Conference failed because of American, British and Canadian obstructionism is misleading, and sometimes disingenuous.

Review Essays

179 **Defining ISIS** *Ben Fishman*

Joby Warrick's *Black Flags* and William McCants's *The ISIS Apocalypse* are, rightly, two of the most acclaimed in a series of recent books on the Islamic State's origins. But the motivations of ISIS's followers and recruits remain unclear.

189 **Book Reviews**

Arms, Arms Control and Technology *Bruno Tertrais*

Russia and Eurasia *Angela Stent*

Asia-Pacific *Lanxin Xiang*

Closing Argument

209 **Coming to Terms with Chinese Power** *Nigel Inkster*

Western policymakers must understand that there can never be a trouble-free relationship with China. Sooner or later, they will have to take a firm stand on issues of genuine concern.
